Dear Colleagues,

Subject: Mentorship Allotment for Academic Year 2018-19.

We are pleased to announce the commencement of the mentorship program for the academic year 2018-19. The mentorship program aims to foster a supportive and enriching academic environment for our students, ensuring their holistic development and success.

Mentors have been carefully selected from the faculty based on their expertise, experience, and commitment to guiding and supporting students. We are pleased to inform you that the mentorship allotment for the academic year 2018-19 has been finalized, and mentors have been assigned to their respective mentees.

Please find below the details of the mentorship allotment for the current session:

MEETING RESOLUTIONS

Dated 25th August, 2022

A meeting with the students and teachers of the department took place on 25th August 2022 at the Department of Mathematics about the preparation of the mentor-mentee group and the following resolutions are taken:

1. The mentor-mentee list is prepared and it will be displayed in the departmental notice board and will be shared in the departmental e-groups with the Contact details of the Mentors.
2. The respective mentors have to sit with the students assigned to them and prepare a road map for the entire academic year.
3. it is discussed that respective mentors should keep in touch with the respective students individually to discuss the problems they are facing in both their academic and personal lives.

The meeting ended with a vote of thanks.

The mentor-mentee list is attached herewith.
